About Frenyz

Rooted in the unwavering passion and dedication of a mother-daughter duo, Freny Beauty Parlour narrates a tale of beauty that took root in 1989. Jigisha harboured aspirations for Freny to blossom into a fashion designer from a young age. Freny Chauhan embarked on her journey by supporting her mother at the Parlour. As Freny matured, dreams expanded, and the vision evolved. Jigisha's fervent desire to venture into fashion design ignited her transformation into a visionary designer. Together, they birthed Frenyz Couture in 2017.

Today, Frenyz stands tall as an iconic presence in Gujarat, catering to a global clientele that extends far beyond borders. Our story transcends mere fashion; it encapsulates cherished family values, relentless dedication, and an unwavering commitment to offering a comprehensive solution in the fashion and grooming landscape.

Each family member contributes their unique expertise, forging a perfect fusion of fashion and grooming. Dad (Jay), spearheads our Human Resources and Accounts department, while son Yash Chauhan and son-in-law Dheeraj Yaduvanshi brought not only salon expertise but also proficiency in salon management and artistic finesse to the forefront.

The creative synergy between Mom, Freny Chauhan, Yash, and Dheeraj propels our fashion aspirations forward, setting trends and crafting styles that resonate with a global audience. Our collective goal now extends to offering superior styling and grooming advice in the industry.

Welcome to Frenyz Couture and Salon, where our family's passion converges with your fashion and grooming desires, curating an unparalleled destination for all facets of style and beauty.

Experience the bridal beauty at Frenyz Wedding Makeup. With our techniques and expert touch, we ensure you look flawless and radiant on your big day. Trust Frenyz for a perfect wedding look that enhances your glow. We offer two types of makeup.

DIFFERENCE BETWEEN

Airbrush makeup and HD makeup are both popular choices for achieving flawless-looking skin, but they differ in application techniques and formulations.

Air Brush

- ◆ Applied using an airbrush gun that sprays a fine mist of makeup onto the skin.
- ◆ Creates a lightweight, sheer, and natural-looking finish.
- ◆ Provides buildable coverage and is often used for special occasions or events due to its long-lasting and water-resistant properties.
- ◆ Blends seamlessly into the skin, minimizing the appearance of imperfections.

High Definition

- ◆ Refers to makeup specifically designed for high-definition cameras and photography.
- ◆ Uses specialized products that are finely milled and formulated to provide a flawless, photo-ready finish.
- ◆ Offers buildable coverage and can be applied using various techniques, including brushes and sponges.
- ◆ Helps create a smooth complexion, minimizing the appearance of pores and imperfections under high-definition scrutiny.

In essence, while both airbrush and HD makeup aim for a flawless look, airbrush makeup is applied using an airbrush gun and provides a lightweight finish, whereas HD makeup is tailored for high-definition cameras and aims for a flawless appearance in photography and film.
